

Deliverable 2: Insert statement

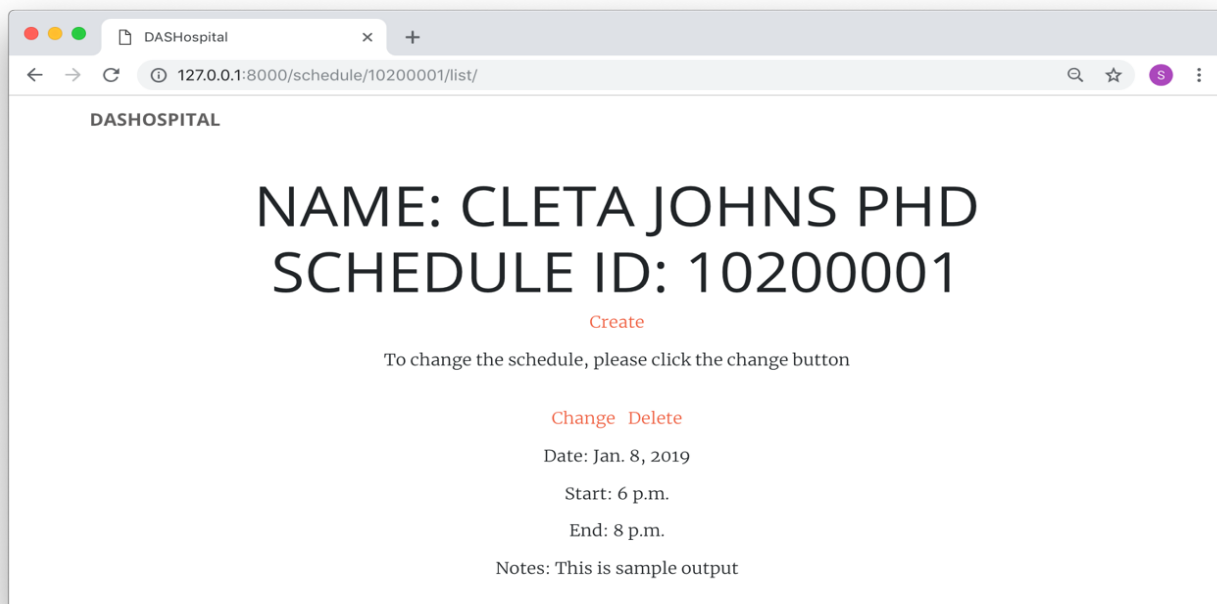

Insert statement For create schedule

Doing Insert

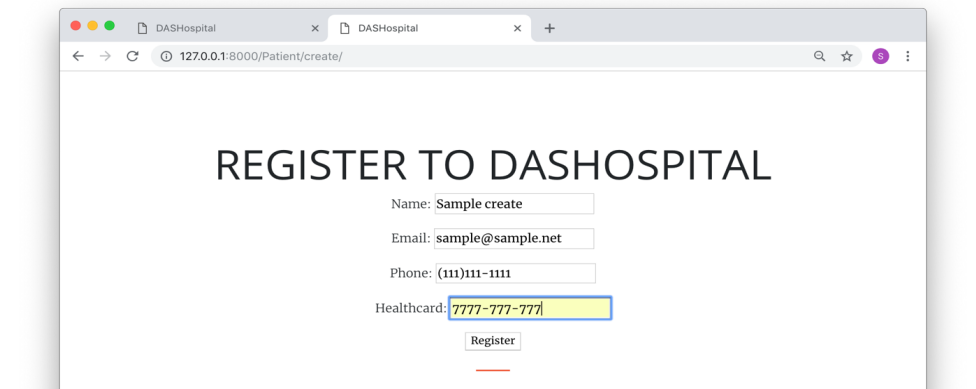

A screenshot of a web browser showing the 'DASHHOSPITAL' website. The browser's address bar shows the URL '127.0.0.1:8000/schedule/10200001/create/'. The website has a navigation bar with links for 'ABOUT', 'SERVICES', 'PORTFOLIO', and 'CONTACT'. The main content area is titled 'SCHEDULING PAGE' and contains a form with the following fields: 'Date:' with the value '2019-01-08', 'Starttime:' with the value '18:00:00', 'Endtime:' with the value '20:00:00', and 'Notes:' with the value 'This is sample output'. A 'Save' button is located below the notes field.

After insert

A screenshot of a web browser showing the 'DASHHOSPITAL' website. The browser's address bar shows the URL '127.0.0.1:8000/schedule/10200001/list/'. The website has a navigation bar with links for 'ABOUT', 'SERVICES', 'PORTFOLIO', and 'CONTACT'. The main content area displays the following information: 'NAME: CLETA JOHNS PHD', 'SCHEDULE ID: 10200001', a 'Create' button, and a message 'To change the schedule, please click the change button'. Below this, there are links for 'Change' and 'Delete', followed by the schedule details: 'Date: Jan. 8, 2019', 'Start: 6 p.m.', 'End: 8 p.m.', and 'Notes: This is sample output'.

Another Insert statement for patient

A browser window showing the 'REGISTER TO DASHOSPITAL' form. The form has fields for Name, Email, Phone, and Healthcard. The 'Healthcard' field is highlighted with a yellow border and contains the text '7777-777-777'. Below the fields is a 'Register' button.

REGISTER TO DASHOSPITAL

Name:

Email:

Phone:

Healthcard:

A browser window showing the 'DASHOSPITAL' patient information page. The page displays patient details for 'Sample Output' with ID '100004'. There are buttons for 'UPDATE', 'EMERGENCY INFORMATION', and 'ACCOUNT INFORMATION'.
